Part IV Supplemental Information. Provide the information required in Part I, line 2; Part III, column (b); and any other additional information.

Schedule I, Part I, Line 2 - EBC grants essential goods for children, not cash, to local provider partners that assess the situation of a family and their needs. Representatives of partner agencies place and pick up orders on a weekly basis using EBC's online ordering system. EBC values the grants based on the value of the items distributed as recorded in our inventory system. All orders are signed for at the time of pick-up. Provider partner organizations are verified tax-exempt organizations including government agencies, schools, churches, for profits sponsoring government funded programs such as Early Head Start, and 501(c)(3) nonprofits. Through the online ordering/inventory system we monitor types, frequency and volume of orders; distributions to agencies, program and providers; and number of orders filled. EBC accepts new partners that meet our criteria providing we have the capacity to meet the additional demand.

Activity Or Mission Description

Description

families, reducing the distress felt by children, and their parents. Through partnerships with 50 human service organizations, schools and medical facilities, more than 12,000 children are helped annually. Kids have the stress of living in poverty reduced, their healthy development promoted, and they are better prepared for success in school. Partner agencies can concentrate their resources and expertise on supporting families, increasing their opportunities for success. At EBC, members of the community connect with each other while caring for their neighbors. They donate goods, volunteer, or give financial support to make sure kids are getting what they need, when they need it. What EBC does reduces the community and societal inequities that prevent children from flourishing.

Mission Description

Description

can counterbalance the effects of adversity-from the start produces better outcomes than trying to fix problems later. With reduced risk from stress, and increased protective factors kids are healthier, safer, and at reduced risk for neglect or abuse. For 28 years, we've used our expertise to supply formula, diapers, food, clothing, car seats, beds, school supplies and more to keep kids nourished, secure and healthy, at no cost to families or to agency partners. Our strength comes from deep community participation, through volunteering, donating goods and social connections.

First Program Service Accomplishments Description

Description
