

EBC- Eastside Baby Corner Agency Partner Application

Thank you for your interest in joining the EBC - Eastside Baby Corner Agency Partner network. The EBC model is built upon strong relationships with our Partner Agencies. Through the collaboration of our amazing donors, volunteers and partners like yourself, EBC makes a positive difference in the lives of children and their families.

Eastside Baby Corner helps children- birth to 12 years have what they need to grow, play, learn and thrive. We do this by providing essential care, safety, and health goods for children who are experiencing homelessness, poverty, or family disruption. By becoming a partner, an agency partner would have access to more than 200 different products free of charge; some of which are gently used and some that are brand new bought by Eastside Baby Corner. Eastside Baby Corner also provides expectant and postpartum mothers maternity wear, personal care goods, and mother-infant support items. All the products that are donated by the community are checked for quality, hygiene and safety before making them available for program recipients.

Eastside Baby Corner believes in supporting community as a whole by following our Theory of Change model.

At our **EBC – Central (Issaquah)** and **EBC – Northshore (Kenmore)** branches we provide items for unborn babies through age 12 (children's clothing up to size 14), and at our **EBC – West Sound** branch (Bremerton) we provide items for unborn babies through age 5 (children's clothing up to size 7). All three of our braches provide items for expectant and new moms.

By being an established partner, you will gain access to Eastside Baby Corner's ordering system to access goods for the families that your program serves. Not to mention, Eastside Baby Corner strives to maintain above 98% of order fulfilment rate for all 50 weeks of the year.

To become an EBC Agency Partner, a potential partner agency starts the process by filling out the application with most up to date information that Eastside Baby Corner will then use to review alignment with our established criteria, and availability of partner agency slots in the network etc. The process of applying for partnership, which includes the application, interviews/discussion of needs, and signing of a Memorandum of Understanding, can take anywhere from one to three months.

For questions on completing the application and/or the application process, please email our Partner Services Coordinator Ruchi Charekar, at ruchic@babycorner.org or call at 425-865-0234, ext. 704.

For more clarity on the terminology please see below definitions:

- Agency Partner: a collective name for reporting organizations, its programs and program (staff) providers.
- **Program**: the name of the department of the reporting Agency Partner that manages services to meet social need(s).
- **Provider**: the person who interacts with program recipients and has access to the EBC ordering system on behalf of the program.

When submitting a completed application, attach a copy of your 501(c)(3) tax-exempt determination letter. Please also attach your current non-discrimination policy, client confidentiality policy/agreement and most recent demographics of the children/families you serve. This critical and non-negotiable for considering your interest for partnership.

Submit completely filled out application with other requested attachments via email to ruchic@babycorner.org.
