

It's a Free Event – And a Fundraiser!

It's important that your guests know that this is a fundraiser. To help EBC reach our financial goal for the event, the suggested minimum gift is \$200.

Pledges are possible!

If your guests have concerns about the minimum gift, let them know that gifts can be made as pledges and paid out over a year in monthly or quarterly installments. For example, a pledge of \$200 means a monthly payment of only \$16.67.

Unable to attend?

If someone you invite cannot attend but would like to make a donation to EBC, send them an EBC gift envelope or direct them to the [EBC website to make an online donation](#).

Giving to Grow Donor Circle

If you or one of your guests would like to make a lead gift to inspire other donors to give at a very generous level, please contact EBC Director of Development, Helen Banks Routon at helenr@babycorner.org or (425) 372-7525. We welcome you to join us in the Giving to Grow Donor Circle by making a donation of \$1,000 or more in advance of the luncheon!
